## Volunteer Tasks for Clwydian Range and Dee Valley National Landscape (North)

October - December 2024

### Summer Highlights

#### **Drystone Walling on Moel Famau**

Thank you to everyone who came out to help us with some dry stone walling on Moel Famau. We had a great day rebuilding about 15 meters of wall while under the watchful eye of Colin a local professional waller.

#### **Moel Findeg Footpath improvements**

We have had a great couple of days this summer on Moel Findeg improving the footpaths by laying stone on the areas that were becoming boggy and tricky to walk through. We laid down over 3 tons of stone by hand over the two volunteer days.
