Your health

If you have any physical or mental health conditions, if you are taking any medication, or have received advice from a doctor or consultant about taking part in physical activity, please note them here or speak to the activity leader.

Becoming active is very safe for most people. However, some people should check with their doctor before they start becoming physically active.

As well as to keep you safe while taking part in the project, your information will be used anonymously for evaluating the project and will support future funding applications to continue running similar projects and events.

Are you registered disabled? Yes No

Declaration

- I understand that I should disclose to the activity leader any health conditions or medication needs and that I may need to seek medical advice before taking part in activities.
- I understand that I participate at my own risk and I should respect the guidance of the activity leader.
- I agree to tell the activity leaders if there are any changes to my health.
- I understand that the health information disclosed will be used in the evaluation of the project, which will support future funding applications to continue running similar projects and events.
